The interface looks plain and can be clunky at times. For the others, go with one of the subscription plans (\$3.99 per month, \$19.99 per year, or \$39.99 for forever). Pricing is incremental as you progress through the units. Some job aptitude tests will check your English proficiency, so this app is great to help prepare you. English Grammar Book The English Grammar Book is a simple app for those who don't want gamification. You can use the website or the apps for Android and iOS. There's nothing stopping you from making up your own rules and create wacky sentences. As their own copy says, you get over 600 pages of grammar lessons with over 5000 examples explaining each rule. The app is ad-supported which can be removed with a small purchase. But don't let that take anything away from its utility. You can try these popular grammar checkers to clean up your documents. Mad Libs Mad Libs is a popular word and grammar game. The game is easy and anyone of any age can play it. The top-ranked learning app takes you through 25 grammar topics, 600 interactive activities, and thousands of questions from fill-in-the-blanks, multiple choice, and word matching. The colorful gamification elements could be just right if your Spanish is strong, but you want to improve your English. Different clues in the game challenge you to insert parts of speech into a sentence. But don't let that take anything away from the content. It's a nice pedagogical tool that relies on a global leaderboard and badges to keep you motivated. You can now purchase the same interactive, downloadable subscription quizzes individually. Grammar quizzes, songs, books, games, and instructional videos help you grasp the quirks of the eight parts of speech. It offers easy explanations on topics that can befuddle you.
